

## DAY 1 – MAY 25

**09:00 - 09:50| Registration of participants**

**09:50 - 10:00| Official opening of OSE GDAŃSK 2026 - Krzysztof Karaś, CEO ECB**

**10:00 - 10:10| Inaugural Speech - Beata Rutkiewicz, Wojewoda Pomorski  
Mieczysław Struk, Marszałek Województwa Pomorskiego**

**10:10 - 11:20| Plenary Session: Europe's energy security - revising European energy policy**

- Energy security of Europe - the war in Ukraine and sanctions against Russia in the area of energy supplies as an impulse to change Europe's energy policy.
- Revision of strategic sources of energy supplies for Europe – common EU purchasing policy and individual strategies of the main European countries.
- REPower EU and FIT for 55 strategies – what has been achieved so far?
- Energy security of EU countries – new projects and initiatives in the development of energy infrastructure of European importance.
- The new architecture of the common energy market in Europe.
- EU strategy for the development of offshore renewable energy.
- New levels of cooperation between the Baltic Sea countries as a response to Russia's energy blackmail.
- Poland's energy policy in 2040 in the context of the European Green Deal – the need for updating and basic directions of change.
- The place of nuclear energy in the new energy policy: the level of advancement of the Polish nuclear program, financing models, large-scale energy and small nuclear facilities.
- Experience of EU countries in counteracting the negative effects of rising energy prices on the energy industry and the economy.
- The role of the US in stabilizing Europe's energy policy.
- War as an impulse for the creation of a sustainable, efficient, modern and competitive energy sector.
- Funds from the KPO and the acceleration of the Polish energy transformation.

**The following people will take part in the debate:**

**Päivi Laine** - Ambasador Finlandii w Polsce; **Renata Mroczek** - Prezes Urzędu Regulacji Energetyki; **Agnieszka Pomaska** - Przewodnicząca Komisji ds. UE, Wiceprzewodnicząca Zgromadzenia Parlamentarnego Rady Europy; **prof. zw. dr hab. Marta Postuła** - Pierwsza Wiceprezes Zarządu, Bank Gospodarstwa Krajowego; **Anders Rasmussen** - Energy Attaché, Ambasada Królestwa Danii w Polsce; **Sławomir Staszak** - Członek Zarządu ds. Energy, Orlen S.A.; **Dariusz Standerski** - Sekretarz Stanu, Ministerstwo Cyfryzacji; **Beata Viršumirska** - Attaché ds. energetyki, Ambasada Republiki Litewskiej w Rzeczypospolitej Polskiej; **Wojciech Wrochna** - Pełnomocnik Rządu ds. Strategicznej Infrastruktury Energetycznej, Sekretarz Stanu w Ministerstwie Energii; **Eliza Zeidler** - Sekretarz Stanu, Ministerstwo Aktywów Państwowych;

**Moderator:**

**Wojciech Jakóbiak** - Energy Security Analyst, Ośrodek Bezpieczeństwa Energetycznego

**11:30 - 12:50| PANEL 1: Adaptation Strategies of Energy Groups in the Energy Sector Transformation Process**

- Necessary changes in the strategies of energy groups and their main causes.
- Amendment to the 10H Act - assessment of the effects of new regulations and their impact on the development of the renewable energy market in Poland.
- New investments included in the sector's energy transformation strategies.
- Hydrogen as the fuel of the future, opportunities related to the emerging regulatory environment in the field of hydrogen economy.
- Onshore renewable energy projects – dominant trends and technologies, development of the industry working for the renewable energy sector in Poland.
- The current stage of development and the future of offshore wind energy in Poland – between energy security, customer expectations and the interests of shareholders of energy groups.
- Gas as an increasingly common raw material for large

**The following people will take part in the debate:**

**Sławomir Hinc** - Prezes Zarządu, Operator Gazociągów Przesyłowych GAZ-SYSTEM S.A.; **Magdalena Kamińska** - Prezes Zarządu, Energa S.A.; **Miroslaw Kowalik** - Prezes Westinghouse Polska; **Marcin Laskowski** - Wiceprezes Zarządu ds. Regulacji, PGE Polska Grupa Energetyczna S.A.; **dr Szymon Paweł Moś** - Prezes Zarządu, Polska Spółka Gazownictwa Sp. z o.o.; **Agnieszka Okońska** - Wiceprezes Zarządu, Polskie Sieci Elektroenergetyczne S.A.;

**Moderator:**

**Maciej Szambelańczyk** - Partner, WKB Wierciński, Kwieciński, Baehr sp. k.

energy sectors – the impact of price fluctuations on market development.

- Prospects for coal in the Polish energy sector.
- Operation of the power system with the dominant role of renewable energy sources.
- Power deficit after 2025 - solution scenarios.
- Development of electromobility infrastructure, key players and market models.
- Systems for protecting consumers against rising energy prices – previous experience and target solutions.
- Offer of energy groups for industrial customers.
- Current trends in financing the energy transformation.

## 12:55 - 13:45| PANEL 2: Off-shore & On-shore: development prospects, project scale, Polish manufacturers of components and installations

- Progress in the development of wind projects in the Baltic Sea in Phase I.
- The race for permits to locate wind farms in the Baltic Sea in Phase II – status, allocation criteria and appeals.
- Challenges in the process of obtaining other permits in the investment process, including decisions on environmental conditions.
- The role of investors and foreign partners in the development of Polish offshore wind.
- Offshore research in the project development phase.
- Power evacuation from offshore wind farms.
- Dedicated support system for offshore wind energy – contracts for difference.
- Offshore as an opportunity for Polish industry.
- Offshore energy contracting models.
- Port infrastructure and supply chain for offshore wind energy.

### The following people will take part in the debate:

**Janusz Bil** - Prezes Zarządu, ORLEN Neptun Sp. z o.o.;  
**Piotr Dziubałowski** - Wiceprezes ds. Operacyjnych, PGE Baltica Sp. z o.o.; **Kacper Kostrzewa** - Dyrektor Zarządzający, Ocean Winds Polska Sp. z o.o.; **Roman Masek** - Dyrektor Techniczny, Belse Sp.z o.o.;

### Moderator:

**Zbigniew Kozłowski** - Managing Partner, KTO Legal Kozłowski Tomasiak Oszczak Sp. k.

## 13:50 - 15:05| PANEL 3: Gas, biogas and biomethane - an element of building an effective distributed energy sector

### **Part I: Gas as the primary transition fuel**

- Gas market in Poland – import directions, strategic alliances, development prospects in the context of replacing coal sources.
- Key investment projects for the Polish fuel and gas market.
- Priorities in the expansion of the gas transmission and distribution network, FSRU terminals.
- Gas storage infrastructure – prospective scale of needs.
- Gas in the portfolio of energy companies. The future of gas as a raw material for the Polish energy sector.
- Priorities and existing constraints regarding the expansion of the gas transmission and distribution network.
- Strategic investment projects of transmission system operators (gas and electricity).  
Development of the "green" hydrogen market in Poland in the context of the emerging regulatory environment for the hydrogen economy.

### **Part II: Biogas and biomethane – an element of building an effective distributed energy sector**

- Biomethane, the fuel of the future – development potential, business models and first projects.
- Regulatory environment, certification and guarantees of origin of biomethane in Poland.
- Green hydrogen in the Polish energy sector – projects, applications, examples of implementations.
- Opportunities and opportunities for biomethane in the distribution network - as a key element of the green energy transformation.

### The following people will take part in the debate:

**Marcin Białek** - Prezes Zarządu, Biogas System S.A.;  
**Paweł Chalupka** - Prezes Zarządu, G.EN. Operator Sp. z o.o.; **Wojciech Kowalski** - Członek Zarządu, Polska Spółka Gazownictwa Sp. z o.o.; **Jerzy Lilia** - Director of Strategic Investment, LipCo Foods; **Krzysztof Noga** - Prezes Zarządu; Elenger Polska sp. z o.o.; **dr inż. Andrzej Sikora** - Prezes Zarządu, Instytut Studiów Energetycznych; **Karina Szostak** - Prezes Zarządu, Gas Storage Poland Sp. z o.o.;

### Moderator:

**Adam Wawrzynowicz** - Partner, Wawrzynowicz i Wspólnicy Sp.K.

## 15:10 - 16:45| PANEL 4: Clean energy, scale of investments and key projects.

- Strategic nuclear projects in Poland – scale and time horizon.
- Development of the photovoltaic sector in Poland compared to other renewable energy sectors.
- Adapting the functionality of MV and LV networks to the

### The following people will take part in the debate:

**Alicja Chilińska Zawadzka** - Prezes Zarządu, EDF Power Solutions Poland; **Artur Galbarczyk** - Dyrektor Biura Branży Energetycznej i Technologii, Bank

growing number of prosumer RES installations.

- Limitations on network development mean limitations on the construction of new renewable energy sources.
- Energy storage for every installation? Costs vs. benefits.
- Financing renewable energy projects - are long-term PPAs an alternative to support systems?
- Models for contracting energy from nuclear power.
- Market of new energy services for the renewable energy sector.
- The impact of regulations stabilizing energy prices on the renewable energy sector.

Gospodarstwa Krajowego; **Patrycja Kunc-Rozbrój** - Wiceprezes Zarządu ds. Korporacyjnych, PGE Baltica Sp. z o.o.; **Tomasz Malecki** - Wiceprezes Zarządu ds. Strategii; PGE Dystrybucja S.A.; **Józef Matysiak** - Zastępca Prezesa Zarządu, NFOŚiGW; **Agnieszka Płaska** - Prezes Zarządu, wpd Polska Sp. z o.o.; **Anita Sowińska** - Podsekretarz Stanu, Ministerstwo Klimatu i Środowiska; **Zbigniew Stępniewski** - Wiceprezes Zarządu, PGE Energia Odnawialna S.A.; **Robert Świerzyński** - Prezes Zarządu, Energa-Operator S.A.; **Marcin Tuliński** - Business Supply Chain Leader, Arabelle Solutions;

**Moderator:**

**Janusz Pietruszyński** - Analityk i komentator gospodarczy, Redaktor Naczelny portalu CIRE

## 16:50 - 18:00| PANEL 5: New legal framework for the development of heating and cogeneration

- Fitfor55 – preparing the district heating market for the necessary regulatory changes.
- Cogeneration support system – have the assumed goals related to this system been achieved?
- Preferences for the development of energy-efficient heating systems – gas cogeneration, waste and biomass projects, decline of coal cogeneration.
- Anti-smog programs – state of advancement, first effects, necessary corrections, stimulating pro-ecological behavior, anti-smog legislation.
- Change in the approach to heating tariffs.
- Investments in heating – how are smaller heat producers coping?
- The place of local governments in the development of Polish heating.
- Use of renewable energy sources in district heating.
- Utilization of waste heat – current status and development prospects.
- Energy efficiency in heating.

**The following people will take part in the debate:**

**Marek Dec** - Prezes Zarządu, OPEC Grudziądz Sp. z o.o.; **Sławomir Gibała** - Country Business Director, NewHeat Poland; **Marcin Lewandowski** - Prezes Zarządu Grupy GPEC; **Andrzej Sterczyński** - Prezes Zarządu Unibep S.A.; **Jacek Szymczak** - Prezes Zarządu, Izba Gospodarcza Ciepłownictwo Polskie; **Przemysław Zaleski** - Prezes Zarządu, ZEC Serwis Sp. z o.o.; **Krzysztof Zborowski** - Wiceprezes Zarządu, Radomskie Przedsiębiorstwo Energetyki Ciepłej „RADPEC” S.A.

**Moderator:**

**Mariusz Marszałkowski** - Wicenaczelny Defence 24

## 19:00| Statuette Award Gala: "Amber of the Polish Energy Sector 2026"

## 19:30| Gala dinner and closing of the first day of OSE GDAŃSK 2026

## DAY II – MAY 26

### 09:00 – 09:55| Registration of participants

### 09:55 – 10:00| Official opening of OSE GDAŃSK 2026 - Krzysztof Karaś, CEO ECB

### 10:00 - 11:45| PANEL 6: Security of strategic energy infrastructure

- How to identify gaps in energy infrastructure defense systems - protection mechanisms.
- Challenges related to the development of energy infrastructure in the Baltic Sea.
- Pre-emptive actions against physical, cyber and hybrid threats undertaken by companies managing strategic energy assets.
- International cooperation for security. Energy, fuel and gas storage facilities - scale of necessary investments.

**The following people will take part in the debate:**

**Tobiasz Adamczewski** - Wiceprezes Zarządu, Fundacja Forum Energii; **Barbara Adamska** - Prezes Zarządu, Polskie Stowarzyszenie Magazynowania Energii; **Michał Domagała** - Przewodniczący Rady Nadzorczej, PGE Polska Grupa Energetyczna S.A.; **Andrzej Dulka** - Prezes Polskiej Izby Informatyki i Telekomunikacji; **Wojciech Folejewski** - Prezes Zarządu, OPEC Gdynia Sp. z o.o.; **Piotr Gąstał** - Prezes Zarządu, ORLEN Ochrona Sp. z o.o.; **prof. dr hab. inż. Rafał Miętkiewicz** - Profesor Uczelni, Kierownik Katedry Uzbrojenia Okrętowego, Akademia Marynarki Wojennej; **kmdr dr hab. Bartłomiej Pączek** - prof. AMW, Prorektor ds. nauki Akademii Marynarki Wojennej; **dr inż. Przemysław Pozański** - Dyrektor Rozwoju Platform i Systemów, Ośrodek Badawczo - Rozwojowy Centrum Techniki Morskiej S.A.;

**Marcin Ryngwelski** - Prezes Zarządu, PGZ Stocznia Wojenna Sp. z o.o.

**Moderator:**

**Mariusz Marszałkowski** - Wicenaczelnny Defence 24

**11:50 - 13:05| PANEL 7: Horizon 2050: Development, Investment, Innovation - Companies, Local Governments, Prosumers (Renewable Energy, e-mobility, Photovoltaics)**

- The role and scale of the private sector in the energy industry.
- The role of local governments in the implementation of infrastructure projects.
- Connecting renewable energy to the grid and the safety and efficiency of the system.
- The future of waste incineration and biogas projects.
- Large-scale nuclear energy and its place in Poland's energy mix.
- Distributed energy and the effects of the new energy policy. Energy clusters.
- Development of e-mobility – electric vehicles, charging stations + energy storage technologies. Is Poland ready to support EVs on a large scale?
- Photovoltaics - scale of development: large farms or only small home installations?
- Start-up program as a source of innovation - how Polish enterprises used the potential and know-how of the market.

**The following people will take part in the debate:**

**prof. dr hab. inż. Krzysztof Badyda** - Prezes Zarządu, Polska Izba Gospodarcza Energetyki Odnawialnej i Rozproszonej; **Maciej Borowiak** - Prezes Zarządu, Stowarzyszenie Branży Fotowoltaicznej i Magazynowania Energii; **Paweł Konieczny** - Wiceprezes Zarządu PSES; **Wojciech Labuda** - Dyrektor ds. regulacji, Polska Organizacja Przemysłu i Handlu Naftowego; **Ewa Malicka** - Prezeska Towarzystwa Rozwoju Małych Elektrowni Wodnych; **Roman Masek** - Dyrektor Techniczny, Belse Sp.z o.o.; **dr Adam Nocoń** - Prezes Zarządu, Izba Gospodarcza Urzędów OZE; **Marcin Westfal** - Ekspert, Polska Izba Rozwoju Elektromobilności;

**Moderator:**

**Michał Sznycer** - Radca prawny, Partner, MGS LAW Kancelaria Radców Prawnych Mądry, Sznycer, Sambożuk Sp. p.

**13:10 - 14:15| PANEL 8: Pomeranian energy mix**

- Local content - participation of Polish forms in the energy transformation process.
- Preparing personnel for modern energy.
- The role and initiatives of local governments in building modern distributed energy sources.
- Conclusions for Poland from the Iranian crisis - fuels and gas
- Building resilience in the area of heat generation - how to use local resources.
- Programs supporting the development of the local generation.

**The following people will take part in the debate:**

**Alan Aleksandrowicz** - Wiceprezes Zarządu ds. Finansowych i Bezpieczeństwa, Port Gdańsk; **Mieczysław Grzegorz Gołuński** - Burmistrz Kartuz; **prof. Waldemar Kamrat** - Politechnika Gdańska, Dyrektor Centrum Energetyki Jądrowej; **Daniel Konkel** - Dyrektor Oddziału UDT w Gdańsku; **Piotr Kryszewski** - Dyrektor Zarządzający ds. Zielonego Gdańska, Urząd Miejski w Gdańsku; **dr Karolina Lipińska** - Wiceprezeska Zarządu, Energa-Operator S.A.; **Marta Szablowska** - Wiceprezes Zarządu, Port Czystej Energii Sp. z o.o.; **Stanisław Szultka** - Dyrektor Departamentu Rozwoju Gospodarczego, Urząd Marszałkowski Województwa Pomorskiego; **Tomasz Szymczak** - Prezes Zarządu, Grupa Przemysłowa Baltic Sp. z o.o.;

**Moderator:**

**Janusz Pietruszyński** - Analityk i komentator gospodarczy, Redaktor Naczelny portalu CIRE

**14:15| End of OSE GDAŃSK 2026**
